

Western Valley Bar and Grill

\$600,000.00

?Castle Ridge was contracted to build the Western Valley Bar & Grill Restaurant. Castle Ridge provided all the services,

This spectacular building is a great addition to the business profile of Valleyview. From the tile flooring and modern coloring to the well-appointed kitchen, this is a beautiful building inside as well as outside.

This project underwent 3,757 man hours of labour and as always, this 2100 square ft. building was completed on time and on budget.
